NEW GOVERNMENT PLAN UP

Civilian Control Proposition
to Be Put Before National
League Owners Today

CHICAGO, Oct. 5.—Evidence which officials in the state's attorney's office said would result in the indictment of several national league players, was given to the county grand jury today by players and club officials who testified in the inquiry into the baseball scandal.

There will be no indictments for ten days or more, however, for the jury adjourned after today's session subject to call and is not expected to reconvene until after the world's series. Adjournment was taken because it was expected that McGraw, scheduled to testify at the hearing, would be attending the series.

John McGraw, manager of the New York Giants, Charles Stoneham, president of the club, Henry Kniff, outfielder, Larry Doyle, second baseman, Fred Toney, pitcher and Trainer McCall, Hugh Jennings, Detroit manager, John Duhac, Toledo pitcher, and "Kid" Gleason, Chicago White Sox manager, testified.

Kauff and Toney cleared.

The New Yorkers' testimony centered about activities of Helms Zimmerman and Hal Chase in connection with alleged game "throwing". Zimmerman, who was charged with throwing, was cleared. Chase, who was charged with throwing, was cleared.

McGraw said to clear Kauff and Toney of participation with any crooked work.

Kauff and Toney told of offers made to them by Zimmerman to "throw" games. Each said he refused the offer and reported it to McGraw and Stoneham. The latter two corroborated their testimony.

McGraw again denied gambling had anything to do with the release of Kauff to Toronto, saying it was due to the fact that Kauff's playing schedule was being worked out by the club. He said he had received a stolen automobile.

Offered Benny \$125 a Game.

"Chase and Zimmerman are the only men who ever played on my team," McGraw said.

Headquarters Pleased
With Progress

Nearly 100 tickets have already been sold to those who intend to board the Harding special train for Oklahoma City at 1 o'clock Saturday morning, it was reported from Harding and Coolidge headquarters today, where reservations are being made. Tuesday afternoon, M. B. Fleisher, in charge of arrangements, said plans are being perfected rapidly and that only a few details remain to be settled before the train pulls out.

One woman rushed into headquarters Tuesday morning, made a reservation for herself, and before leaving, secured a O. Lingo, chairwoman of the Oklahoma city republican central committee, that she would obtain reservations for at least 100 of her acquaintances before Wednesday night.

"We hope that everyone that intends to go on this trip will make reservations early," Fleisher said. "Most of the names should be in not later than Thursday night—before if possible. We would like to know before Friday just how many are going. Of course, there will be a few who will not know until Friday whether they can accompany, but the majority know now, and the arrangements committee earnestly requests them to make reservations early."

One coach will be reserved for colored people who wish to make the trip. Indications now are that this coach will be well filled.

"Persons of other political faiths need fear no reluctance in going on the Harding special," E. Roger Kemp, chairman of the arrangements committee, declared today. "It is just a question of the people. I, G. Long, campaign manager, said yesterday, 'We will work until we go over the top.'"

From the purses of salaried people of Tulsa came yesterday the majority of the contributions which brought the Salvation Army campaign fund to \$12,500, directors of the drive say. Many of the donors were women some employed women who could ill spare what they gave.

Solicitation will continue until \$50,000 and assurance of a boarding home for girls is secured—this is the daily cry of campaign workers.

"It is just a question of the people," I. G. Long, campaign manager, said yesterday. "We will work until we go over the top."

Special to the World.

Total Raised in State, \$46,000.

OKLAHOMA CITY, Oct. 5.—A total of \$46,000 has been raised in the state in the Salvation Army drive. A. N. Leacock, president of the state advisory board announced tonight. Tulsa still leads all cities.

Felix Diaz to Leave Mexico.

SAN ANTONIO, Texas, Oct. 5.—Felix Diaz, nephew of former President Porfirio Diaz of Mexico, will leave Mexico on his own volition at once, according to a telegram received by Mexican Consul T. R. Britton of Mexico City late today. The telegram states that Diaz will not be expelled from Mexico, but will leave by agreement with the Mexican government, which will give guarantees for his safety and protection while in Mexican territory.

55 Days Without Any Food,
MacSwiney Clings to Life

By The Associated Press.

LONDON, Oct. 5.—The condition of Terence MacSwiney, lord mayor of Cork, incarcerated in Brixton prison, remained unchanged tonight. This was the 55th day of his hunger strike.

Authentic information regarding MacSwiney's fast continues to be confined to statements from the home office and the more elaborate bulletins from the Irish self-determination league.

Inquiries today brought word that neither government officials nor the MacSwiney family believe the prisoner is in immediate danger of death.

On the contrary, league officials said they thought that although the mayor was much exhausted, "careful nursing" would restore him to normal health and his release be effected within a few days.

The same informants expressed the opinion that the mayor would be able to withstand the effects of his abstinence from food for "quite some time."

Lynch 3 Blacks
For 'Witnessing'
White's MurderMcClenny, Fla., Oct. 5.—Three negroes, Bayfield, Givens, Ben Givens and Rufus Givens, charged with being implicated in the murder of John Harvey, well known young farmer of Baker county last Saturday night, were taken to the Baker county jail by a band of armed men at 1 o'clock this morning and lynched.

Sam Duncan, another negro, was found shot to death in McClenny later in the day. It is not known whether Duncan was implicated in the murder.

The negroes removed from the jail were taken to the outskirts of McClenny, tied to trees and shot to death.

John Givens, the negro who is charged with actually firing the shots which killed Harvey, escaped immediately after the shooting and late tonight was still at large. Purses are on his trail. Harvey was shot to death at Knab's Terpetine camp about 10 miles northeast of McClenny.

After the killing, the negroes escaped, but three of them were captured and lodged in the county jail. Although feeling ran high against them, it was not believed an attempt would be made to lynch them as the negro charged with the actual killing was still at large. No further trouble is expected unless Jim Givens is captured.

Indians Outclass Superbas;
Take First Game by 3 to 1Sparkling Cleveland Defense Behind Masterly Pitching of
Coveleskie Renders Brooklyn Helpless; Fans Shiver
In Frigid Weather; Speaker and Sewell Star

NEW YORK, Oct. 5.—The Cleveland American league club decisively defeated the Brooklyn National by the score of 3 to 1 in the first game of the 1920 world series here today.

The victory, which was far more impressive than the score would indicate, was won by perfect team play, sparkling with brilliant individual work on the part of the Indians, which made efforts of the Superbas dull by comparison.

The opening contest was witnessed by a throng of baseball enthusiasts which tested but did not overflow the normal precincts of Ebbets' field.

According to the official figures of the national commission, 25,573 persons paid admission to the Brooklyn park, while at least another thousand can be added when the newspaper men and other semi-official representatives are included.

The gate receipts were announced as \$79,949. In both attendance and gate receipts these figures surpass the best individual game record made at Brooklyn in the series of 1916.

Weather Very Cold.

The game was played under conditions far from being ideal, for blizzards, a stiff north wind, blow out of a cold gray sky and the temperature was reminiscent of football rather than America's great summer sport. So cold did it grow as the contest developed that the frigid atmosphere appeared to chill the enthusiasm of the spectators and as Cleveland checked each effort of the Brooklyn players to become a real factor in the battle the cheering and rooting faded, until only occasional bursts of applause rewarded outstanding plays.

In the first inning also played havoc with the fighting of fly balls, of which there was an unusual number. The gate carried the falling sphere in wind swirls which caused the waiting fielders to grope about under the ball like a retriever locating a wounded bird. It was this inability to judge properly the direction of the descending ball that saved the way for Cleveland's first score.

Indians Were the Best.

Regardless of wind or weather, however, there remains no question in the minds of the fans as to which team played the better ball. Both the team and individual play of the winners was superior to that of the losers.

AGE CAN'T DULL
ARDOR OF VETSSteps Halting, Eyes Dim,

LAST MEET FOR MANY

So They Forget Years and
Live Over in Houston Scenes
of Half Century Ago

HEROES GROWING FEEBLE

All Now Past Three Score and
Ten Mark and Many Have
to Lean on Younger Arms

HOUSTON, Texas, Oct. 5.—Houston tonight was host to more than 5,000 gray-haired men, whose steps were faltering and whose eyes were dim, but whose spirit became young again as they gathered for the 30th annual reunion of the United Confederate Veterans.

For many of the old soldiers this will be their last reunion and apparently all are minded to forget their age and as nearly as possible live over the scenes of comradeship in which they participated more than half a century ago. For them, the cause of the south, although lost, still is sacred and whenever one of the numerous bands on the streets strikes into " Dixie " or another of the songs of the old days, they let out their rebel yell with all the vigor with which they shouted in 1861.

All Growing Feeble.

However, that they have passed their allotted three score and ten years is poignantly evident. With hardly an exception they are feeble and many of them despite their dauntless spirit, are dependent on younger relatives or Boy Scouts in their movements about the city. Of the Boy Scouts hundreds have volunteered their services to the veterans and many of them, day and night directing and guiding the grizzled veterans about the downtown section.

The first session of the joint reunion of the veterans, the Sons of Veterans and the Southern Confederate Memorial association, was held this afternoon by the latter organization. Practically no business was transacted, the session being devoted to greetings from the various organizations with which the association is affiliated. Gov. W. E. Harris of Texas, who was to have made a talk, was delayed and will not arrive until tomorrow morning, when he is scheduled to deliver an address of welcome at the opening session of the United Confederate Veterans.

Sons of Veterans Meet.

The first session of the reunion of the Sons of Confederate Veterans was held tonight at the Hotel Houston. The Texas division of the Confederate Veterans was held today with an estimated attendance of between 1,500 and 2,000 old soldiers. E. M. W. Kirkpatrick of McKinney, Texas, was re-elected commander.

At the morning session there was a lively debate over the propriety of passing a motion introduced by General Kirkpatrick, president, which indorsed the administration of President Wilson, expressed hearty accord with the league of nations and denounced the republican party.
